

BUILDING MATERIALS CO.

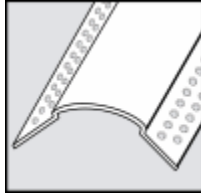

Trim-Tex® 1 1/2" Radius Bullnose Corner Beads

Proudly sold at your local [Knez Building Materials supplier](#).

(All of the following products have a 1 1/2" radius.)

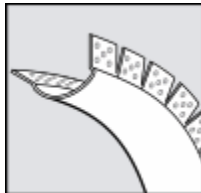

Bullnose Outside Corner Bead

Manufactured from rigid vinyl to resist rust, dents, and kinks. Easily cut and mitered, this bead has the distinct rounded look of the 90's. Vinyl alkyd texture coating enhances paint and mud adhesion.

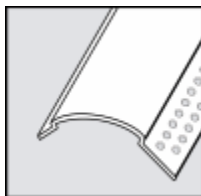

Bullnose Arch Corner Bead

Made with notches on one side giving it the flexibility to conform to archways and other curved patterns. Adds a new dimension to interior design possibilities.

Bullnose Kerfed Corner Bead

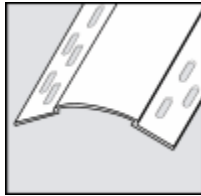

Produced with a 3/8" leg for insertion into the channel of many preformed door and window jambs to create a smooth rounded encasement finish.

Bullnose Outside Splayed Corner Bead

Specially designed to fit those off-angle corners (45 degree or 135 degree corners).
