

Trim-Tex® Bullnose Fast Caps and Bullnose Corner Bases

Proudly sold at your local [Knez Building Materials supplier](#).

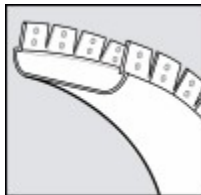

Bullnose Fast Cap

Use the fast cap to quickly and efficiently finish doorways, closets, kneewalls and wallends. The Bullnose Fast Cap makes finishing a one-step, no-hassle process by doing away with the need for drywall and corner bead. Produced already primed with a vinyl alkyd texture coating. $\frac{3}{4}$ " radius.

Bullnose Archway Fast Cap

Provides the same one-step finish as the regular Bullnose Fast Cap, but is notched for flexibility. Conform this cap to any archway by simply cutting the archway radius, slipping on the Archway Fast Cap, and finish by nailing or stapling into the drywall. $\frac{3}{4}$ " radius.

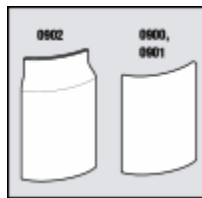

Bullnose Fast Cap Base

Bullnose Fast Cap Base finishes two bullnose corners at the baseboard line in one easy application. $\frac{3}{4}$ " radius.

Bullnose PVC Corner Base

Use this to finish bullnose corner bead and bullnose Fast Cap to standard baseboard. $\frac{3}{4}$ " radius.
