

Trim-Tex® Fast Caps

Proudly sold at your local [Knez Building Materials supplier](#).

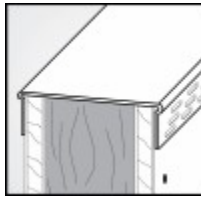

Wall Fast Cap

Designed for finishing kneewalls, doorways, wallends, closets and doorways with one simple application. Nail/staple to drywall, apply mud, and paint. Manufactured from durable, ultra heavy gauge, rigid vinyl, this cap strongly resists dents and kinks. Available in widths of 4 $\frac{5}{8}$ " and 4 $\frac{7}{8}$ ".

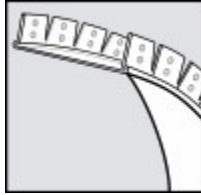

Wall Fast Cap for 2 1/2" Studs

Same easy application and durable design as standard fast cap, but appropriately sized for use with 2 1/2" studs. Available in widths of 3 1/2" (to fit over studs with two layers of 1/2" wallboard) and 3 3/4" (to fit over studs and two layers of 5/8" wallboard).

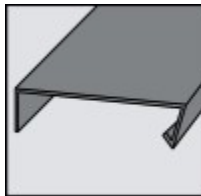

Archway Fast Cap

Designed with the flexibility to conform to any archway. To use, simply cut the archway curve, place the Archway Fast Cap, and nail/staple directly to the drywall. Available in widths of 4 $\frac{5}{8}$ " and 4 $\frac{7}{8}$ ".

Snap Cap

Designed for finishing wall ends that terminate at a window. Easy installation with simple snap on design with no need for mudding. Available in widths of 3 7/8" and 5".
