

TRIM-TEX® SUPER L BEADS, GIANT L BEADS

PROUDLY SOLD AT YOUR LOCAL [KNEZ BUILDING MATERIALS SUPPLIER](#).

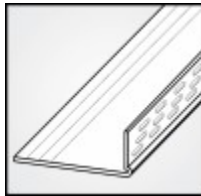

SUPER L BEAD

Finish encasing and trimming windows in mere minutes with the Super L Bead. It ships pre-scored for easy adjustment to any width needed for your job from 1 ¾" to 3 ¾". Available in 8' and 10' lengths.

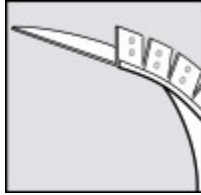

GIANT L BEAD

Ideal for those deep set windows, the Giant L Bead is designed with pre-scored measurements for easy conversion to any width you might need from 3 7/8" to 6". Available in a 10' length.

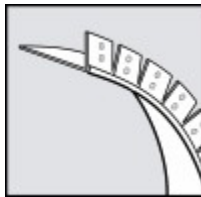

GIANT ARCH L BEAD

Offers the same adjustability and modern appearance as standard Giant L Bead, but the Giant Arch L Bead features pre-cut notches to flex and conform to the contour of any arched window. Available in 10' length.

SUPER ARCH L BEAD

Offers the same adjustability and modern appearance as standard Super L Bead, but the Giant Arch L Bead features pre-cut notches to flex and conform to the contour of any arched window. Available in lengths of 8' and 12'.
